Board of Education and Faculty

The Board of Education is actually the ruling body of all the schools. This group decides the number of days in the school years, all vacation times, and the salary of the teachers. These people also choose the faculties of our Kingsport schools and, of course, have selected our faculty at Dobyns-Bennett.

Our teachers instruct us in our studies, and they also have activities which they sponser. They spend their energy teaching us during school and working with us after school.

This year our school has been evaluated by the Southern Association of Secondary Schools. The faculty has spent hours studying our school, students and community so that we would be ready for this high test of inspection.

Through the years, memories of this group of people will come to us, and we will be thankful for their superb guidance.

CLASSES

SENIOR OFFICERS

From left to right: JIMMY KILGORE, vice-president, PHYLLIS TERRY, treasurer, PATTY DIXON, secretary, and DON BOYD, president.

A SENIOR LOOKS IN HER DIARY

FRESHMAN YEAR:

Fall.

"Of all the luck. Here we are freshmen in high school, and we have to stay at Junior High. Imagine!"

"boy, are we tired! Serving six courses to an army of Roman senators is no fun. Of course, we shall raid the kitchen afterwards."

Winter.

"Our football team wins the state championship."

"While studying for those awful exams, we listen to the Hit Parade. **Button and Bows** is on top again."

"Snakes, that is what she held. She held snakes for the man on the Southern Assembly program!"

Spring.

"We were thrilled when we saw **The Best Years Of Our Lives.** Mother says that high school years are the best, and we all agree."

"We play ping-pong at the new teen Center. They even have a dancing instructor."

SOPHOMORE YEAR:

Fall.

"At last we are in Dobyns-Bennett. The building certainly is beautiful, but it is rather hard to find our way around. We are as lost as the seniors."

"Oh yes, our officers are Paul Rathbun, Ann Elliott, Esther Benedict, and Don Boyd."

"We played Chattanooga and won 20-2. The band trip was great."

Winter.

"We sang **Meet Me In St. Louis, Louis,** as we came home from the senior play."

"**You're Breaking My Heart** is first on the Hit Parade. It seems that everyone is singing that and "**Lucky Old Sun.**"

"Well, I passed, but it is a wonder. Who ever said second year Latin is easy, anyway?"

Spring.

"Vacation will soon be here. I just can't wait to swim and play tennis."

JUNIOR YEAR:

Fall.

"No sooner did we become juniors than we became salesmen, also. Salesmen of popcorn, apples, peanuts, and hot dogs are we."

"The Y-Teens had a barn dance; it was so much fun."

Winter.

"Fess Witt directs the United States Army Band in **Stars and Stripes Forever.** The director comments on his record number of years here."

"Our class officers, Rodney, Robinette, Ann Elliott, Carol Esser, and Jane Kirkpatrick purchase a popcorn machine.

"The basketball team goes into the state finals in Nashville.

Spring.

"Our rings came. They are perfectly beautiful."

"**Family Circle** was presented by the junior class.

"Oh, the prom at Ridgefields. It was the climax of a wonderful year."

SENIOR YEAR:

Fall.

"At last we are dignified seniors?? I certainly don't feel too dignified."

Winter.

"The senior play is **Cheaper By The Dozen,** but only nine children appear in the play."

"Our officers, Don Boyd, Jimmy Kilgore, Patty Dixon, and Phyllis Terry order our announcements and calling cards. Will June never come?"

Spring.

"Our school evaluation was conducted by the Southern Association."

"Oh, that English and American History!"

"Just a few days until graduation. We have been to the prom, splash party, and all the other traditional affairs. Now we are ready to leave our alma mater. We have spent four happy years at Dobyns-Bennett."

A JUNIOR REMINISCES

FRESHMEN 1949

Goodness, haven't we grown! Just think we are registering in high school.
The new building surprises us – even the seniors get lost.
We whirl through another year in football. We are state champs again.
Dogs, yes dogs appear on our Southern Assembly program.
Carreer Day and are we in a frenzy! How do we know what we want to be?
Exams and more exams. They are awful.
"Wilbur Faces Facts" is our freshman play. You can't ever tell, we may have a Barrymore or a Bankhead.
Al Jolson Sings Again has us singing "Mammy."
Mixed Chorus try-outs make us voice conscious.

SOPHOMORES 1950

No state championship football team but a good young team.
"Oh, I can't wait for the Student Council dance!" Wonder if Bill will send white flowers? They are my favorite.
Don't teachers look cute dressed up for the "Family Album." Especially Mr. Ackerman wearing baby clothes.
Vacation at last—

JUNIORS 1951

"Popcorn, please buy some popcorn!" This is our cry at the football and basketball games. We barely have time to notice that our football team has improved.
This year we are humming "Be My Love." Pretty, isn't it?
The Mixed Chorus concert and the Latin pageant are the forerunners of a wonderful Christmas vacation.
The evaluation by the Southern Association. Our first experience.
The **Prom!** and no popcorn to sell and none to eat. I believe it is worth it.
The future—we'll be seniors next fall.

Maxie,
May you have the very best life has to offer!!
Remember all the fun we've had in Mixed Chorus — Especially Knoxville '52 —
Love ya

SOPHOMORES

A SOPHOMORE REMEMBERS

Sophomore officers left to right are: FORREST TEETS, president; **BETSY LATIMER,** secretary; **INA EGAN,** treasurer; **ALEX ANDERSON,** vice-president.

FRESHMAN YEAR

Here we are at last, Freshmen in Dobyns-Bennett. Now I wonder where Mr. Ackerman's room is.

The subjects sure are easy. In fact, I think I'll get by with a good C average!

We are holding class elections. Locke Carter is president; Betsy Latimer, vice-president; Barbara Gott, secretary; and Raymond Britts, treasurer.

At last we can go to the frolics after the football games. This is our main thought. Although the games we are winning are few, we still support the team.

Our Freshman class play, "Andy's Antics," is really a hit. I just know we showed those Seniors a thing or two.

Whoopee! I just passed. Now I'm a Sophomore.

SOPHOMORE YEAR

We have given up our treasured seats in the balcony to join the Juniors and Seniors downstairs. Of course, you can't see very much from the back row!

Again we are electing officers to lead us through another year. They are Forrest Teets, president; Alex Anderson, vice-president; Betsy Latimer, secretary; and Ina Egan, treasurer.

The Juniors let us sell at the football game. At least we get in without our activity tickets, but the work is hard, and it gets cold at those games.

We certainly enjoyed ourselves at the Sophomore Sock Hop, but our mothers didn't quite agree with us. (They had to wash the dirty socks.)

Well, some day I'll be one of those big Seniors, but I hear Senior American History and English are hard.

Clear your desks and prepare for a test.

A FRESHMAN ENTERS D-B

Freshmen officers from left to right are: BILL GREENE, president; **KAY CHURCHILL,** treasurer; **LINDA HAYWORTH,** secretary; and **GENE BRYAN,** vice-president.

Three hundred-thirty creatures now known as Freshmen are entering high school. This is the largest class ever to enter Dobyns-Bennett. Our class has one purpose in mind—to graduate from D-B.

The excitement is dying down, and more serious things are under way. Our executive committee is composed of Bill Greene, president; Gene Bryan, vice-president; Linda Hayworth, secretary; and Kay Churchill, treasurer.

It is now exam time and tests in Latin, English, biology, and math are phasing the mental ability of most of us.

The Freshman class of 1951 is the "up and at 'em" kind. We are full of vim, vigor, vitality, and school spirit. We have met and encountered difficulties with a smile.

Soon we will be Sophomores. We will again prove, "where there's a will, there's a way."

Freshmen have become so much a part of us, that it is hard to distinguish them from upper classmen.

The Honor Society is composed of students from the upper 10 per cent of the Senior class. These students must have an average of 88 or above and be approved by all teachers.

In the spring 10 per cent of the Junior A class is chosen for the Honor Society. These new members are given a banquet by the old members. In the winter 5 per cent of the Senior B class is taken into the Honor Society.

Some of the activities of the Honor Society are raising money by giving an assembly program, giving a Christmas basket to a needy family, and initiating members of the Junior High Honor Society.

When graduation comes, you can always distinguish these students by the gold tassels on their caps.

Officers of the Honor Society for this year are Alan Duncan, president; Fred Sherling, vice-president; Carol Esser, secretary; Edith Johnson, treasurer.

Honor Society officers initiate members of the Junior High Honor Society.

Under the sponsorship of Miss Ewalt, the club put on a bridge-canasta party in the fall. Their dance, open to all students, was one of the highlights of the spring semester.

Officers of the past year were Jack Compton, President; Eddie Preston, Vice-president; Nancy Sims, Treasurer; Joyce Gillenwater, Secretary.

MIXED CHORUS

The main choral groups of school are the Mixed Chorus and the Madrigalians. The Mixed Chorus is composed of students who have been selected by Miss Hutchinson. The Madrigalians, or Ensemble is also chosen by Miss Hutchinson according to the best blending of voices. Their performances come at various times in the year, and they give two main concerts, one at Christmas, and one in the spring. The main purpose of the choral groups is to teach students the "Big Five" of music (attack, release, balance, intonation, and blending) and to teach them to sing and enjoy good music.

I will always remember Knoxville.

Dear Marie,

Well, this wonderful year is over and I'm kinda sorry it is, aren't you? This really has been a marvelous year - we've had more fun at D-B-HS.

Remember all the fun we've had in mixed chorus - especially that glorious Knoxville trip. I heard you had a pretty good time coming back, right? What happened to you that afternoon —? I hope y'all had as much fun as we did. I guess you did, though.

I know you won't forget all the hectic time we've had of practices for the concerts, festival, radio programs, baccalaureate, graduation! I'll share did have a little of it, didn't we? Remember the good time we've had at that table — it is too cafeteria. Boy, we really had fun back then!

We have had coming home from school. It really helps to have long talks, doesn't it? At least I think it does.

Never forget the long talks

We almost had an English class together, remember? I wish we had — that really was fun
